LS-125KB
BRIGHTEN UP YOUR HOME OR OFFICE

Blending functionality and sustainability, LS-125KB is ideal for convenient everyday business calculations with a design to complement home interiors or office decor.

Recycled materials

Large display

Dual power

Tax calculation

Grand total function

Flat display and keys

An environmentally conscious option

LS-125KB is made from recycled plastic and NuPlastiQ, an innovative plant-based renewably sourced biopolymer.

The power of two

Extend the life of your calculator with dual power – both battery and solar power at your fingertips.

Versatile functionality

Easily handle complex figures with the large 12-digit display and tax function button to simply add or subtract the predetermined sales tax rate.
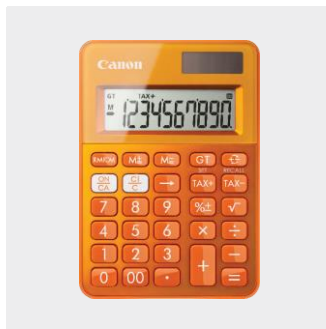

Reflect your personality

Complement your home or office environment with a choice of colours: yellow, green, blue or orange.
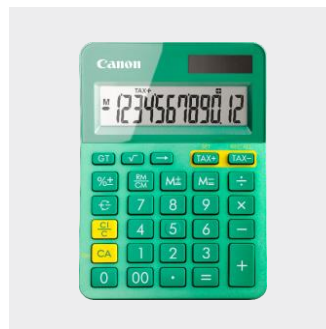

Convenience built in

LS-125KB offers grand total memory within a slim body design, with a flat monitor and keys for straightforward desktop use.
